Code of Ethics TRIENNIAL REQUIREMENT

The National Association of REALTORS® has mandated that all REALTORS®, including Appraisers, must complete an approved Code of Ethics class every three years.

Cycle 6 is January 1, 2019 through December 31, 2021.

Failure to complete this obligation will result in the termination of the individual from the REALTOR® Association and the loss of all benefits.

REALTORS® who have joined the association after January 1, 2019 have already fulfilled the requirement.

2021

If you have taken, or do take, any Ethics course outside of RSCK, you will need to mail, fax or email your Certificate of Completion to Cindi Ferguson, Professional Development Director at cindi@sckrealtors.com or fax to 263-2832

Code of Ethics

Get up to date with the REALTOR® Code of Ethics, as this course will help you understand how it applies to your business. Interactive scenarios will have you thinking about what you would do, along with answering the question of . . . should you or shouldn't you?
